A Thuismitheoir/Chaomhnóir,

It is with great pleasure that I write this letter to you as the incoming Príomhoide of Luttrellstown Community College. I am delighted and honoured to become part of the wonderful Luttrellstown Community College team. Thank you to everyone I have met so far who have been so helpful, friendly and welcoming. Even though I have only been in the school for a short time I already get a feeling of immense pride, care and dedication in the school.

I have been involved in education for the past 22 years. I taught Science and Chemistry for 19 years and most recently served as Deputy Principal for three years. I strongly believe that every student deserves the opportunity to achieve their full potential in a supportive, inclusive and caring environment. The overall aim is to nurture and develop well rounded, capable and confident young adults. We will achieve this by continuing to work together.

I would like to take this opportunity to congratulate Príomhoide Fionnuala Ní Chaisil as she commences her retirement for her outstanding achievement in taking Luttrellstown Community College from its very beginnings in 2009 to the wonderful, thriving, vibrant college that it is today. I would like to thank her for all her help with the handover and wish her the very best in her retirement.

I look forward to meeting and working with all of you in the near future. In the meantime, I wish everyone a happy and safe summer.

Is mise, le meas

Siobhán Moran
